

## **2<sup>nd</sup> Management Committee and Working Group Meeting in Hamburg**

The next COST 732 Management Committee and Working Group meeting will take place July 28 and 29, 2005, in Hamburg/Germany.

We will have the meeting in combination with a joint COST-ESF- workshop on Quality Assurance of Micro-Scale Meteorological Models. The agenda of the workshop and meeting is not completely finished but will follow soon.

The meeting will take place at the premises of the University of Hamburg, Bundesstraße 53, ZMAW-Building, D-20146 Hamburg, Germany.

We will start with the workshop from Thursday, July 28, at 9 a.m. until Friday July 29 at lunch time, afterwards we will have a small MC-meeting until about 15:30.

A list of hotels in the vicinity of the workshop site and other helpful hints are given under
