

5th Management Committee and Working Group Meeting in Riso/Denmark

The fifth COST 732 Management Committee and Working Group meeting will take place July 4 and 5, 2006, in Riso/Denmark (near Roskilde).

The agenda of the workshop and meeting will follow soon.

The meeting will be organized by Helge Olesen, Riso National Laboratory. He will soon send out recommendations for reasonably priced hotels in the vicinity of the site.
